FAMILY FOOD DRIVE

Won't you take a few moments this week to help District students & their families who are struggling to make it through tough times? Too many families in our school district are not regularly able to provide a nutritious & ample supply of food for their family members. Your donation of canned & dried food items will be greatly appreciated & will make a real difference in the lives of many people.

Dried food items such as flour, corn meal, rice, sugar, beans, hominy, pasta, Jell-o, tea, baking mixes, powdered milk, soup mixes & cereal.

Grades 11 - 12

Canned food items such as fruits, vegetables, soups, stews, chili, canned meats, tomato, enchilada or pasta sauce, beans & coffee.

Please! No perishables or glass containers.
Thank you for your thoughtfulness & generosity.
